EVERYDAY EATALY

Eat better, live better

JULY 4 – JULY 31, 2022

At Eataly, we believe that high quality food is something everyone should enjoy. With Everyday Eataly, we've selected more than 40 products from our Italian marketplace, offering new prices and highlighting some of our best value items. Featuring housemade pasta from La Pasta Fresca, fresh seafood from La Pescheria by Diana's Seafood, seasonal verdure from our produce section, and more, there's something for everyone.

The Eataly Amici promotional banner features the "EATALY" logo in a serif font and "Amici" in a large, elegant script font. To the right, there are images of fresh tomatoes, cherries, and a knife on a cutting board. Below the main text, there are five icons representing different benefits: a star for welcome points, a coffee cup for a free beverage, a birthday cake for a 20% discount, a shopping bag for early access, and a gift box for special prices. The text "Let's be friends! Our free Amici Beta program offers a new way to experience Eataly. Collect points on all products from our marketplace*, and put it towards future purchases." is written in a small, dark font. At the bottom, there is a call to action "Sign up at check-out and start earning today!" and a disclaimer: "Nota bene: our Amici program is currently in Beta mode. Members who enroll during this test will periodically be asked to provide feedback on the program. *To receive the welcome bonus, customers must opt in to receive Amici emails and communications. Alcohol excluded".

*Prices are valid for Eataly Toronto location only, from July 4-July 31, 2022, while supplies last. Restrictions and edits may be applied at any time.
