

# COCKTAILS 16

**WHAT IS APERITIVO?** Derived from the Italian aprire, meaning "to open," aperitivo is all about the awakening of the appetite with a pre-dinner drink and savoury appetizers of salumi, olives, and even crunchy patatine (potato chips) shared with friends. Cool and casual, do as the Italians do and make aperitivo a part of your Summer routine!

## HAPPY HOUR WITH

SINCE 1936

**SAN  
CARLO**

la **VITA è BUONA**

**GET READY TO EXPERIENCE  
THE PERFECT APERTIVO!**

Only during Happy Hour, when you  
order your first cocktail, enjoy a  
complimentary bag of San Carlo's  
artisanally made potato chips

Started in 1936 as a rotisserie shop, **San Carlo** quickly gained popularity thanks to their 'patatine croccanti' or crispy fries. First only carried in the grocery stores and bars near their original headquarters, the San Carlo chips soon spread all over Italy and in the rest of the world. Today, they remain a symbol of authentic, made in Italy, goodness.
